## RESOLUTION No. 6-6-2023

**WHEREAS**, severe dry conditions have existed for a substantial period of time and are forecasted to remain dry for the foreseeable future, resulting in a much higher potential for wildfires; and

**WHEREAS**, there has been an increase in uncontrolled wildfires requiring significant fire department resources to extinguish; and

**WHEREAS**, the County, with the support of the majority of the municipal fire chiefs, has identified the need to take action to reduce the threat to life and property; and

**WHEREAS**, §13201 of the County Code authorizes the County to impose a temporary County-wide burn on open fires: Act of October 24, 1995, P.L. 332, No. 52 P.S. § 13201; and

**NOW, THEREFORE, BE IT RESOLVED**, that a temporary county-wide burn ban will be in effect commencing at 12:00 p.m. on Thursday, June 8th, 2023, prohibiting open burning.

"Open burning" is defined as the ignition and subsequent burning of any combustible material (garbage, leaves, grass, twigs, litter, paper, vegetative matter involved with land clearing, or any sort of debris) out-of-doors, either in a burn barrel or on the ground.

The use of propane or gas stoves, charcoal briquette grills, or the use of tobacco in any form is not covered under county burn bans. Campfires are allowed in the fire rings that confine and contain the campfire in a designated state, federal, or Department of Environmental Protection licensed campground.

The resolution shall be enforced by any sworn police officer, including the Pennsylvania State Police. Any person who violates the provisions of this Resolution commits a summary offense and shall, upon conviction, be sentenced to pay a fine of not more than \$100 for the first offense, \$200 for the second offense, and \$300 for the third offense.

**BE IT FURTHER RESOLVED**, that this temporary County-wide burn ban on outdoor burning will be in effect for thirty (30) days, expiring on July 8th, 2023, unless extended prior to the expiration.

**ADOPTED** this 6th day of June, 2023.
